

NOVEMBER 16TH, 2014

ProjectCSGIRLS North Carolina Workshop

Are you interested in participating in the **2015 ProjectCSGIRLS Competition for Middle School Girls**? Then join us at the ProjectCSGIRLS North Carolina workshop on November 16th (2pm – 4pm) to learn about a variety of computer science topics and get feedback on project ideas! Some topics we'll cover are: mobile app development, bioengineering, game programming, artificial intelligence, and robotics. You'll also have time to come up with project ideas, collaborate, and get feedback from mentors and instructors. No prior experience is required. To register please go to www.tinyurl.com/projectcsgirlsnc14.

www.projectcsgirls.com
