

NOVEMBER 1ST, 2014

ProjectCSGIRLS

VA/MD/DC Workshop

Are you interested in participating in the **2015 ProjectCSGIRLS Competition for Middle School Girls**? Then join us at the ProjectCSGIRLS VA/MD/DC workshop on November 1st (11am – 2pm) to learn about a variety of fascinating computer science topics, get feedback on project ideas, and learn from some of the best technical professionals in the DC Metro Area! Some topics we'll cover are: mobile app development, game programming, web design, artificial intelligence, and robotics. You'll also have time to come up with project ideas, collaborate, and get feedback from mentors and instructors. No prior experience is required. To register please go to www.tinyurl.com/projectcsgirlsdc.
